MEMORANDUM OF CONVERSATION

PARTICIPANTS: Rear Admiral Leslie C. Stevens, Chief, JSPD
[redacted] OPC 25X1A

SUBJECT: Proposed Air Force Study on Guerrilla Warfare

DATE: 16 April 1951

1. On this date Mr. [redacted] 25X1A and I delivered to Admiral Stevens the OPC agreement (see letter signed by ADPC dated 17 April to Chief, JSPD) to the terms of reference of the proposed Air Force study on guerrilla warfare.

2. Admiral Stevens stated that he was in agreement with the content of our transmittal memorandum to the effect that Mr. [redacted] 25X1A of OPC could serve as the point of contact as between the [redacted] 25X1A group and ourselves on a continuing basis.

3. Admiral Stevens said that there was some opposition to the continuance by the Air Force of the study and that he was at this time unable to predict the outcome of further discussions between the Army and the Air Force regarding the study.

4. This for the time being completes my interest in the matter except for an occasional check with Admiral Stevens concerning the study if and when the Air Force undertakes it. Mr. [redacted] will check on the matter within two weeks to ascertain whether the Air Force has in fact started the study. 25X1A
